School may be out for summer vacation, but that doesn't mean learning has to stop.

Trumbull County's Educational Service Center is hosting its fifth annual arts camp to keep kids' creative juices flowing. Instructor Melanie Vlad said more than 50 students in first through fourth grades are participating in theater, art, music and dance sessions at Lordstown Elementary School.

This year's camp theme is the Renaissance.

"It teaches children to appreciate and to express themselves in ways that they might not be able to do with words or sometimes even actions," Vlad said. "It lets gets be able to step outside of themselves."

The arts camp runs through the end of the week.
