

# SCHOOLS REIMAGINED REBOOT LEADERSHIP CONFERENCE

TUESDAY, APRIL 30, 2019

**Join us for a tour of the former Ohio State Reformatory in Mansfield, where much of the critically acclaimed and #1 fan-favorite movie, *The Shawshank Redemption*, was filmed.**

## BE A PART OF SCHOOLS REIMAGINED REBOOT

As educational leaders, our focus today is to reimagine teaching and learning and look creatively and openly at freeing students held captive by traditional, outdated instructional practices.

With a clear purpose in mind, we will tour the Mansfield Reformatory, get insights from our keynote speakers and participate in roundtable discussions.

Get ready for a meaningful day by watching *The Shawshank Redemption*—for the first or umpteenth time — and refresh your memory of this Academy Award nominated movie.

### JIMMY CASAS

Jimmy Casas served twenty-two years as a school leader, including fourteen years as Principal at Bettendorf High School. Under his leadership, Bettendorf was named one of the Best High Schools in the country three times by Newsweek and US News & World Report.

Jimmy was named the 2012 Iowa Secondary Principal of the Year and was selected as one of three finalists for NASSP 2013 National Secondary Principal of the Year. In 2014, Jimmy was invited to the White House to speak on the Future Ready Schools pledge. Jimmy is also the author of four books, “What Connected Educators Do Differently,” “Start. Right. Now. - Teach and Lead for Excellence,” the best-selling book “Culturize – Every Student. Every Day. Whatever it Takes,” and his latest release, “Stop. Right. Now. – The 39 Steps to Making Schools Better.”

### KEVIN HONEYCUTT

After growing up in poverty and attending schools all over the United States, Kevin Honeycutt taught K-12 art for 13 years. He joined ESSDACK, an Educational Service Center headquartered in Central Kansas, where he researches and develops creative approaches to reach at-risk students, including Project-Based-Learning models.

Kevin promotes what he calls “Tradigital Learning,” combining traditional and digital learning ideas. His new book, *Midnight Run*, details his difficult childhood growing up in a dysfunctional family.
