

See how we partner with education leaders.

American Fidelity can help reduce your administrative burden. We streamline services through a single source by providing a variety of products and services at little or no cost* to your district.

- Comprehensive benefits education
- Web-based enrollment platform
- Section 125 plan implementation/maintenance
- Reimbursement accounts
- Voluntary benefits and payroll upload file
- 403(b) plan administration and retirement education

“

Partnering with American Fidelity has proved invaluable. I cannot even begin to tell you how much time, money, and stress has been taken off of my plate and put on to theirs. They truly put their clients first and I wish we had switched sooner.

Christopher Fox
Treasurer/CFO, Montgomery
County E.S.C., Dayton, Ohio
