High-Quality Instructional Materials (HQIM) Initiative
High-Quality Instructional Materials
Overview and Priorities

Increase student access to high-quality instructional materials that are aligned to Ohio’s Learning Standards and promote grade level proficiency.

Increase educator access to high-quality professional learning grounded in high-quality instructional materials.

Support educators in reviewing, selecting and implementing high-quality instructional materials aligned to Ohio’s Learning Standards and the Ohio’s Curriculum Support Guide.
**Students**
Acquire the knowledge and skills to be successful through a standards-aligned instructional foundation.

**High-Quality Instructional Materials**
Act as a common language and platform for engaging all partners in students’ educational experience.

**Educators**
Engage in job-embedded professional learning to be critical consumers of materials to make the best local instructional decisions.

**Districts and Schools**
Provide professional learning that is grounded in high-quality instructional materials and increase educators’ ability to support each student to learn and grow.

HQIM Professional Learning 2023-2024

Focus: Targeted professional learning and support for our districts

- 8 ESC Webinars (2 completed)
- 14 ESCs/19 District pairs in Cohort 2 of HQIM Implementation with Instruction Partners (Held 1st meeting, starting instructional rounds in districts)
- 6 more districts paired with Cohort 1 ESCs (Leads participate in meetings and get coaching support to run the project themselves with a second district)
- 9 Statewide Webinars (2 completed)
- 63 HQIM Specialists
- 34 Math Specialists
- 4 HQIM Sustainability Webinars
- Additional professional learning opportunities based on ESC needs
HQIM Specialists Professional Learning 2023-2024

- Communities of Practice with EdReports (1st session was 9.16.23)
- HQIM Implementation Series with Instruction Partners (2 cohorts - begins 1.4.23)
- HQIM Rubrics (16 HQIM Specialists have volunteered to help calibrate)

Math Specialists Professional Learning 2023-2024

- Implementing the Math Standards and Practices (3/6 in-person sessions complete)
- Coaching Teachers/Coaches on Math Instruction (Coaching launch was 9.18.23)
- HQIM Math Rubrics
**Lead Specialists and Coordinators**

- Help distribute materials
- Help with accountability trackers
- Lead collaboratives
- Co-design activities and materials
- Coordinate work across Ohio
Professional Learning

- HQIM Math Implementation Series
- Smart Adoption Practices (if not already attended)
- Collaboratives

Deliverables

- Raise awareness
- Share evidence
- Share and promote Curriculum Support Guide
- Deliver professional learning
- Highlight districts
- Collect data
- Provide ongoing coaching
- Monitor implementation
- Provide feedback

Communities of Practice

- Use templates to build toolkit
- Share problems of practice
- Brainstorm solutions to pitfalls
- Build capacity
- Network with other ESCs

HQIM Rubrics

- Field testing
- Attend release webinars
- Calibration

Professional Learning
- Virtual math series with new vendor
- In-person "Train-the-Trainer" series for math standards and practices implementation
- Math rubrics
- Smart Adoption Practices (if not already attended)

Deliverables
- Raise awareness
- Share evidence
- Deliver professional learning
- Highlight districts

Math Specialists
- Collect data
- Provide ongoing coaching
- Monitor implementation
- Provide feedback

Math Standards and Practices
- Build capacity of educators around math standards and practices
- Deliver professional learning on the standards and practices
- Support districts with coaching
- Network with other ESCs
- Help educators connect teaching practices to the OTES rubric

HQIM Math Rubrics
- Field testing
- Attend release seminars
- Calibrations
Vendor Partners

- EdReports- HQIM Selection and Adoption
- Instruction Partners- HQIM Implementation
- BetterLesson- Math Standards and Practices
