

Foundations of Instructional Coaching

Train-the-Trainer Sessions for ESC Staff

The Foundations of Instructional Coaching Project is designed to build the capacity of instructional coaches in Ohio educational service centers (ESCs) to improve teaching and learning. As part of this project, two-day regional training sessions are offered to prepare ESC leaders to deliver this training to instructional coaches and education leaders within each region. ([Learn more](#) about this project)

The training is designed to introduce leaders to the materials and facilitation guides for the new Foundations of Instructional Coaching Course in the [Ohio Learning Community](#) and promote a coherent approach to training instructional coaches through Ohio's ESCs.

The two-day training is for ESC staff with:

- **Experience** in supporting schools/districts with instructional coaching
- **Capacity for delivering this training in the 2024/2025 school year** to schools, districts, and other ESC consultants
- An **understanding of how coaching and consultant work supports districts** with leadership and learning
